We invite you to participate as an exhibitor or sponsor for the Carolina's premier gathering of geriatric and long-term care professionals. Gain access to key decision-making physicians, medical directors, pharmacists, nurse practitioners, and physician assistants practicing in long term care facilities.

A great forum for introducing your company's new products and data, your representatives will also benefit from updates on long term care issues through educational sessions.

Please complete the exhibitor registration form and return it as soon as possible to reserve your exhibit space. If you have any questions, please call Stephanie Guest at 803-600-0842. Thank you for your continued interest and support of our medical providers!
