Medical Directors Association

Annual Conference of the NC & SC Medical Directors Association

October 24 & 25, 2008

**Charlotte Marriott
Executive Park
Charlotte, NC**

Fall Symposium 2008

Intent and Overview

The CMDA Annual Symposium is designed to meet the educational needs of health care professional working in long term care settings. This year's symposium will address subject areas relevant to the recent regulatory changes and health department focus on quality care regarding infection control, wound care, end of life care and malnutrition. In keeping with these priorities our 2008 symposium includes the following topics presented by an experienced and nationally renowned faculty:

- Pain Management
- Post Herpetic Neuralgia
- All- Inclusive Care for the Elderly
- CMS coding and compliance
- Transitions of Care
- Opiod Induced Constipation
- LTC Infection Control Practices
- Resistant Organisms

Who Should Attend

This course is intended for all long term care health professionals including Geriatricians, Internists, Family Physicians, Nurse Practitioners, Physician Assistants, Registered Nurses, and Consultant Pharmacists.
